1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ed McMann on 10/22/2004.

The application has been amended as follows:

Claims 13-14, 21-22, are cancelled.

2) The terminal disclaimer filed on 8/6/2004, disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of patent resulting from Application 09/807,945, has been reviewed and is accepted. The terminal disclaimer has been recorded.

3) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show a device for refining a melt, the device comprising a coil for inputting energy into the melt and having coil windings running along the sides of a melting channel but not across the channel's open top, and a second heating device disposed at said open top (claim 15).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
